My name is Anders Dernback. I have created several thousand slideshows over the years. These do not require a teacher, but can be studied as if it were a picture book with text. Most often the subject is history. I have chosen to let more people benefit from this and read them or have students read them. They can be used for teaching purposes.

# Welcome!

**Welcome to download slideshows and audiobooks from my database. The design of the slideshow pages is such that they are similar to picture books and for self-study. Text and image in combination teach more effectively than text alone.**

**The advantage of slideshows is the large text and that you can directly show the slideshows to small and large groups.**

**My slideshows are not for lectures but for individual self-study. Right now, 1 158 objects can be downloaded and most of them are free.**

Fattiga

I 1642 års tiggareordning slogs fast att ansvaret för de fattiga i första hand låg på de anhöriga och i andra hand på den egna församlingen, som borde uppföra sjukstuga och fattigstuga för gamla och sjuka samt barnhus för de föräldralösa.

**Bettleriföreskrifter fanns i 1871 års fattigvårdförordning och återfanns senare i övergångsbestämmels erna till 1918 års fattigvårdslag. Det förväntades att polismyndigheten och de kommunala myndigheterna arbetade för att hindra och hämma tiggeri. För tillsynen över bettlare anställde fattigvårdsstyrelserna (jfr socialnämnd) särskilda tillsyningsmän.**

Central Stockholm and the movements of Vasa from Skeppsgården ('navy yard') to the anchoring place near the old royal castle where it was fitted and armed in the spring of 1628, and finally the location where it foundered and sank.

The Vasa ship had a crew of 133 people. The remains of 15 people, both men and women, have been found in the wreck. Women could accompany their husbands and without being employed by the navy.

*Hej Anders*

**Bäste Anders Dernback!** **14 juni 2019 09:22 (avsändare Bettina Stewart Billgren)**

Vilken skatt du gjort att njuta av, helt otroligt fantastiskt!
Jag är Malmöflicka från början men bor nu i Stockholm, och född i Göteborg.

Jag har gjort många bildspel genom åren som jag visat på äldreboenden, men detta du gjort det slår allt.

Detta kan jag visa på tu man hand med datorn för mina klienter som alla är mellan 75 - 100 år!

En kulturgärning utan dess like. Jag tackar och niger/bugar och hoppas att du har det väl.

Min mormors familj hade landställe i Limhamn, Bellevue. Hennes pappa hade trävaruhandel och hette Ernst Lindahl. Familjen ägde hela huset på Norra Vallgatan 98. Och ett till på Västergatan.

Själv växte hag upp på Slottsgatan 18 i en underbar paradvåning. Min morfar Erik Sylvan var direktör på Svenska mejeri & kontrollanstalten. Det var en underbar tid i Malmö på 60-talet. Så tacksam för den.

Tack igen för allt ditt fantastiska arbete, hoppas du fått mycket beröm och uppskattning!

Allt gott!
